## Audio conferencing

Frontier Voice & Data provides an audio conferencing service that's easy-to-use and cost-effective.

Arranging meetings can sometimes be frustrating. With an increase in home workers it can sometimes be difficult and expensive to bring everyone together, however the answer is Simple - MeetMe

MeetMe is an instant conferencing service that requires only access to a phone to enable highly productive meetings with participants from anywhere around the world.

No prior booking is required for MeetMe, and conferences can be established in the time participants take to call. The service is easy to use, and its available at any time every day of the year.

With MeetMe you can respond more quickly and effectively. Sharing information is made easier and informed decisions can be made regardless of the location of key individuals. It can also help companies reach out and work with customers and suppliers wherever they are, widening customers bases and tapping into new markets.
